

WE ARE HIRING.

ELFIN CONSULTING is an agriculture-related business consultancy and growth catalyst with a broad understanding of diverse agricultural topics, strengths in strategy implementation and a flexible as well as hands-on co-creation approach.

Through our combined competencies in Agronomy, Management and Communications we turn digital and sustainability-related growth strategies into tangible results and illustrate the added value to key stakeholders.

ACCELERATING RESPONSIBLE GROWTH.

We are looking for a fellow consultant at the earliest possible date:

Learning & Training Specialist (m/f) – Adult Education Full-time, Cologne-based

YOUR CONTRIBUTION

At ELFIN CONSULTING you support MNEs and SMEs from the agricultural value chain on implementing sustainable agriculture initiatives, in particular with regard to learning/training programs for farmers worldwide. The development of modern training concepts and materials, alignment with stakeholders, piloting and scaling-up of programs incl. related challenges are part of your tasks, next to managing client projects. You will be responsible for client relations, a team and the budget.

YOUR PROFILE

We are looking for ambitious personalities with

- _ A degree in Adult Education or equivalent qualification
- _ Minimum 4 years of work experience in development and implementation of (e-) learning/training courses based on cutting-edge approaches, methodologies and technologies
- _ Experience in project management and liaising
- _ Excellent research skills, as well as an attention to detail, layout and communication design
- _ Ability to manage CMSs and database interfaces
- _ Strong communication skills
- _ A passion for delivering client-centric solutions
- _ Empathy and a drive to be successful in the team
- _ Agile, hands-on working style and an ability to manage change in uncertain environments
- _ Excellent command of English language (speaking and writing; native speaker is a plus)

- _ Willingness to travel locally
- _ Excellent MS Office skills (Adobe InDesign & Captivate is a plus)
- _ Experience or affinity for agriculture is a plus

OUR OFFER

In a boutique consultancy with a unique approach and a superb corporate and performance culture you will extend your experiences and enhance your skills on consulting projects with reputable clients in an industry going through an exciting transformation. Furthermore, your entrepreneurial skills can be employed to further build our company, products and business to grow with us. Within our international and multidisciplinary team you will constantly gain new insights into the key topic of sustainable agriculture and drive its evolution.

YOUR NEXT STEP

Sounds like your company? Are you motivated to join in to contribute to the future of agriculture? Then email your application (as a PDF) incl. your earliest possible date of entry and desired salary. Pls. find further information on ELFIN CONSULTING under: www.elfin.works.
